Department of Public Works**

RFQ No. EP07/08 - 05

Professional Services for Management of Wastewater DBO

The City of East Providence is requesting qualifications statements from experienced, qualified firms with expertise in the development of DBO procurements and their successful implementation. The City is seeking comprehensive professional consulting services for the management of the City's Wastewater Design, Build, Operate (DBO) procurement for the provision of new wastewater facilities and their operation.

The City owns, operates, and maintains a 10.4 MGD secondary treatment plant, (21) twenty-one wastewater pumping stations, and approximately 200 miles of collection system sewers. The City has entered into a consent agreement with the Rhode Island Department of Environmental Management (RIDEM) to upgrade the City's treatment facilities, pump stations, and collection systems. The City has recently completed a draft Facilities Plan as specified by the RIDEM consent agreement.

Four sealed copies of qualifications statements shall be submitted to the Office of the City Manager, Room 102, City Hall, 145 Taunton Avenue, East Providence, RI 02914-4505 by **2:00 PM, Friday, February 8, 2008.** No qualification statements received thereafter will be considered. Mark outer bid envelope with RFQ number, Project Name, and due date/time.

Detailed requirements for this Request for Qualifications may be obtained at the Office of the Purchasing Agent, Room 206, City Hall, East Providence, RI, Monday through Friday 8am to 4pm or downloaded from the City website at **www.eastprovidenceri.net** under **Bid Information.**
