REQUEST FOR PROPOSALS**

**Bid # EP0910 15**

**FOR**

**REDEVELOPMENT OF THE FORBES STREET PROPERTY**

**ADDENDUM NO. 2**

**Issued 7/30/10**

The figure for City electric usage in the RFP is not correctly stated.

**The RFP currently reads:**

“The total annual municipal electrical usage is **1014 KWHs**, not including the City’s sewage treatment plant which is located 1.2 miles from the Forbes Street site.”

**The RFP is being amended to correctly read:**

“The total annual municipal electrical usage is **10.14 MILLION KWHs**, not including **1.8 million kw’s per year for the sewage treatment plant** which is located 1.2 miles from the Forbes Street site **and 1.7 million kw’s per year for the pump stations.**”
