

# Responsible Beverage Service Training

## 21 PROOF TRAINING PROGRAM

### *WHY GET RBS TRAINING?*

It's the law: Anyone who serves alcoholic beverages is defined as working in a Pouring Establishment. All staff (including wait staff, door personnel, valet staff and owners/managers) must be RBS Certified through a four-hour training.

Anyone who sells alcoholic beverages is defined as working in a Non-Pouring Establishment; e.g.; liquor stores. Staff are eligible, though not currently require by law, to be RBS Certified through a four-hour training.

**The 21 Proof Training is an evidence based, state approved, Responsible Beverage Service Training. Staff will learn ID checking, laws, assessing customer intoxication levels, skills for handling customers and refusing sales. Upon successful completion, staff will receive training manuals, quarterly newsletters and RBS required certification.**
