

PRESS RELEASE

City of East Providence Department of Public Works
145 Taunton Avenue, East Providence, RI 02915

Date: April 7, 2010
Contact: Stephen H. Coutu, P.E.
Director of Public Works
Phone: **401-435-7701**
Fax: 401-435-7717

For Immediate Release

The schedule for the East Providence Department of Public Work's street sweeping program is prepared. Except for the main roads, the schedule for street sweeping is in reverse order of last year.

In accordance with the City's Stormwater Management Plan, all streets and municipal parking lots are swept at least once per year, and main streets twice per year. The main roads in the City are swept at the beginning of the program and again at the end. The sweeping program is estimated to be completed by early July dependent on favorable weather. In order to assist property owners who wish to sweep sand which may have accumulated on their abutting sidewalks into the roadway, the Department of Public Works is providing the street sweeping schedule. The Department requests the residents assistance in removing parked cars from the road on the day scheduled for street sweeping so that the program is successful.

If you would like more information on the program, please contact the City's Highway Division at 435-7751.
